REASONS FOR ALLOWANCE

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on December 12, 2007 has been entered.

Reasons for Allowance

2. Claim 23-37 are allowed. The following is an examiner's statement of reasons for allowance: The references in the IDS submitted December 12, 2007 do not teach or suggest the combined features of the claimed invention, including an article as defined in the specification which carries load through a surface fastening system when the fastening elements are engaged; a first fastening element with liftable and attached portions with a hinge line between the liftable and attached portions; a second fastening element releasably engageable with the liftable portion of the first fastening element; and the hinge line being at an angle less than 90 degrees relative to the primary direction of load bearing; the liftable portion lifting away from the article when the first and second fastening element are engaged and encounter a load in the z-direction relative to the primary direction of load bearing.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
